Dear Paul

I write to thank you for all the work you did in promoting and running the Young Workers Forum on 8 July.

It was fantastic to see the young people from the Innovation Youth Centre engaged in the conversation about their rights in the workplace.

Your work in sharing the event within the IYC, promoting it on social media, and organising the bus on the day was exceptional and without you we could not have pulled off such a successful event.

I hope that everyone who attended from IYC enjoyed the event and took something away from it. I thoroughly enjoyed hearing from them and speaking to them about such important issues.

Once again I thank you for your work and look forward to seeing you again soon.

Yours sincerely
